Honestly you can't

You may be able to

Q I'm looking for a new computer system. Any suggestions?
A Yes, you need a PC or Macintosh.
Q How much money do I need?
A It depends on what you want to do.
Q What kind of software do I need?
A You'll need a word processor, a spreadsheet, and a database.
Q Where can I find them?
A They're everywhere.

These results suggest that the

linear system.
